"Holistic development and a wide choice of subjects and courses year to year will be the new distinguishing feature of secondary school education" [Para 4.9, NEP-2020]. The Programme learning outcomes of four-year Integrated Teacher Education Programme (ITEP) of K.H.College, Gargoti envisions the creation of passionate, motivated, qualified, professionally trained, and well-equipped teachers capable of designing and implementing developmentally appropriate learning experiences for students at secondary stage of school education.
